# RDJ'S NOTES

COURSE L | SESSION 1

## The Millionaire Next Door

*Thomas J. Stanley*

The man who  
complains about the  
way a ball bounces  
is likely the one who  
dropped it.

 FINANCIAL SERVICES  
of AMERICA

Enthusiasm is one of the most powerful engines of success. When you do something, do it with all of your might. Put your whole soul into it. Stamp it with your own personality. Be active, be energetic, be faithful and you will accomplish your objective.

Nothing great was ever achieved without enthusiasm.
