### It's Not Over Until You Win

*Les Brown*

“It doesn't matter where you are coming from. All that matters is where you are going.”

- Brian Tracy

“You cannot control what happens to you, but you can control your attitude toward what happens to you, and in that, you will be mastering change rather than allowing it to master you.”

- Brian Tracy

“No one lives long enough to learn everything they need to learn starting from scratch. To be successful, we absolutely, positively have to find people who have already paid the price to learn the things that we need to learn to achieve our goals.”

- Brian Tracy

*Millionaire in the Making*

“Once you’ve mastered time, you will understand how true it is that most people overestimate what they can accomplish in a year -and underestimate what they can achieve in a decade!”

- Anthony Robbins

“Motivation alone is not enough. If you have an idiot and you motivate him, now you have a motivated idiot.”

- Jim Rohn

“Success is not to be pursued; it is to be attracted by the person we become.”

- Jim Rohn
